

Clyde House, Glasgow

A beautiful period building facing the River Clyde, Clyde House is destined to be Glasgow's premier student destination.

Adjacent to The People's Palace and Winter Garden (Glasgow's largest park) and within walking distance of the city centre, this five-storey residence is the perfect solution to Glasgow's shortage of student housing.

THE PROJECT

This outstanding building will contain 90 Student apartments. William Dyer Electrical UK Ltd was commissioned for the installation of all the electrical requirements which included:

- Mains Distribution
- LED Lighting
- Small Power
- CCTV
- Energy Efficient Heating
- Door Access
- Fire Alarm System
- Full Cabling
- Full Electrical Installation works

Students living at Clyde House will have access to a host of communal facilities including; a communal lounge, games rooms, fully equipped gymnasium, secure bicycle storage and laundry room, in addition to an on-site management office, which will be manned by Primo Property Management Staff, who will manage and let the building.
